Mental Health Tip from Parents to Parents

Talking to your child about how they're feeling can sometimes be hard. By taking 20 minutes with them to do an activity you'll both enjoy, you'll create a relaxed space to start that conversation.

Thank you for all your continued support, it has been a team effort from parents, students and staff. We look forward to welcoming you back on Monday 7th June for a very busy and exciting 6 weeks of the last half term.

Just a few reminders for returning back to school:

- Attendance is vital. Lost learning has affected everyone so it's important that every child attends school every day. Good attendance results in improved progress and good habits for the future. If your child is unwell, please follow the school protocol to keep us informed.
- All students should arrive on time to school. Persistent lateness will be responded to.
- Correct uniform must be worn. This consists of, a branded sweatshirt or cardigan, a plain white polo t-shirt and either grey trousers, shorts or skirts. Summer dresses can also be worn. Shoes must be black with no colours or logos and either black white or grey socks.
- We are currently rewriting risk assessments, however, current protocol remains for the first week back.

Finally, we would like to wish everyone a well deserved break. Have fun and stay safe!
