We can't wait to see all of you tomorrow at our open day!

Whether you're a previous parent/pupil who would like to see the changes to school, a current parent or child who wants to catch up on what's been happening in school, a prospective parent or just a member of the local community who wants to come along and see what amazing things are happening in our school, YOU ARE ALL WELCOME!

We will have lots of staff on hand to chat to you throughout the open day and there will be a treasure trail too. Chat to our teachers, get the code words, put the message together and you will be entered into the draw to win a family hamper of goodies.

We will also be joined by some of the businesses we work with regularly - Action Ants, Zoobidoo, and Mountain Monkeys where you'll be able to get a taster of some of the activities we run throughout the year.

There will be refreshments available, as well as the opportunity to chat to our school PTA, to find out how they support fundraising and projects at Yanwath.

So why not come along and explore the fantastic setting that is Yanwath Primary School and Nursery.
