

YANWATH PRIMARY SCHOOL NEWSLETTER

25th February 2022

Children across the whole school took part in a CET Innovate Event where they worked as inventors to try and find a solution to make the world a better place. In groups, they came up with a design and made a prototype out of different materials. Today the finalists from each class presented their designs to the rest of the school and staff then choose the winner from Yanwath school. These children will attend an event organised by the trust where they will showcase their idea and go up against other schools before an overall winner is announced.

Thank you to those of you who joined the Teams meeting on Thursday night where the itinerary of the whole school trip was discussed in detail. If you were unable to attend the meeting, a recording was made so that you can catch up on anything you might have missed. Due to the many different activities we have booked, we need permission from you to allow your child to take part. Please complete this form via ParentMail. Anyone who receives a paper copy, your child will be sent home with one on Monday.

A reminder to please let us know if you book a club after Monday as this is when we run the reports for the week. Anything booked after then is missed unless we are informed.

Star of the Week	
Year 1	Eoin Simpson for being well-mannered and always making the right choices.
Year 2	Amirah Ahmed-Khan for growing in confidence.
Year 2/3	Poppy Dennison for her fantastic efforts at swimming this week.
Year 4	Thea Austin for excelling in science knowledge and her enthusiasm.
Year 5	Ruby Ramsay for her amazing teamwork during our CET Innovate Event.
Year 6	Leo Simpson for his enthusiasm towards our CET Innovate Event.
