Manchester Trip Q&A

Do the children need to wear their school uniform?

Children should wear their school t-shirt and jumper but can wear jogging bottoms and trainers.

Do children need specialist clothing for the Chill Factor?

Helmets, skis and snowboards are all provided for the taster sessions. Children will need to bring a waterproof coat and trousers unless they already have a ski jacket and salopettes. They will need thick socks and gloves. Footwear should either be snow boots, walking boots or wellies.

Will school inhalers be taken?

Yes, they will be packed in the first aid bags.

Other than food and drink, do children need to take anything else?

Just their items required for the snow activities—a full kit list will be sent out nearer the time.

What will KS2 be having for tea as they won't be returning until 7:30pm?

Please pack a small sandwich and snacks for the interval of the show so that children can have some tea. There will be extras in case anyone forgets to bring something. Please do not pack sweets or fizzy drinks.

Is there a toilet on the coach?

No, there will not be a toilet. Children will be taken for toilet trips before getting on and getting off the coach.

Can the children wait on the side if they decide to not take part in an activity at the Chill Factor?

Yes, they can stand with an adult.

If you have any other questions, please do not hesitate to get in touch.
