Headteacher's Headlines – 15th March 2024

This week, year 6 have been working incredibly hard preparing for their SATs tests in May. We are so incredibly proud of their efforts and have loved every minute of celebrating with each child the incredible progress they have made. Well-done year 6!

Thank you to all the children for partaking in Red Nose Day this week, to those who wore 'something funny for money' and for all the donations – school raised just under £85 for a very worthy cause.

Thank you to those families who have taken on the guidance provided in the attendance letter sent out a week ago. We have seen an increase in attendance which means children are in school, taking part and enjoying their learning!

Published Authors!

Some of our year 2 children wrote their own short stories, in the hopes of becoming published authors and it has happened! Harper, Nancy, Zara and Honey each wrote a short piece of fiction writing and they have been added to the book 'Super Pets.'

Celebrating Success

As well as celebrating the successes of our pupils, we also like to celebrate the achievements of our staffing team too! We want to congratulate Mr Crouch and Mrs Pattinson who have recently both completed their National Professional Qualification in Senior Leadership.
