Headteacher's Headlines – 26th April 2024

Although it's been chilly this week, the sun has been shining and it's been wonderful to see children embracing all the joys of the outdoors. We've had football on the field, tag rugby during PE lessons, the children have loved putting the new sports and playground equipment to use and the whole school was camera ready for our class and promotional photos on Wednesday. Once we have the information back from Wild Child Photography about the class photos, we will share this with you. Keep your eyes peeled for our school tour which will be coming soon!

We enjoyed a magical 'green-fingered' afternoon of planting, digging, weeding and painting, all led by our wonderful PTA volunteers, who organised and ran the event today. They have worked tirelessly behind the scenes to secure donations of plants, paint, compost and more from local businesses. I want to send my heartfelt thanks to everyone who has contributed to our Spring Celebration, school looks fantastic!

Looking ahead to next week, we are excited to share with you at parents evening, the marvellous progress your child has made this year.

Mr Crouch's Fundraising

On Sunday 28th April, Mr Crouch is walking the Ullswater Way. This is a loop around the whole of Lake Ullswater and is around 20 miles long.

Whilst completing the walk, Mr Crouch is using it as an opportunity to fundraise for our early years unit.

We know you will all wish him well but if anyone would like to support his fundraising efforts, you can visit;

www.crowdfunder.co.uk/mrceyfswalk

or the link is on our Facebook page. All donations are gratefully received and will be going towards our early years unit.

Drop Off/Pick Up Updates

As we try to reduce congestion and help ease the parking/traffic at drop off and pick up times, we would ask that parents/carers adhere to the following.

- Use the one-way system around the triangle.
- Avoid turning in the road/cul-de-sac opposite school.
- Stay in your car until you are next to the footpath – there will be staff in high visibility jackets ushering cars to move down when there are spaces.
